RULES & REGULATIONS For STUDENTS of **NIT Patna**

- ✸ This is a team participation Hackathon. You should have **6 members** in your team registered and a **maximum of 4 members** would only be allowed at a time in the venue.

- ✸ The fee for each team for registration is **600INR**.

- ✸ Teams should have at least 1 girl member registered. Having maximum girl members would be an ideal condition .

- ✸ You are expected to use the problem statement mentioned in the **SIH2020 Website**. *(https://www.sih.gov.in/sih2020PS)*

- ✸ The participants must priorly **submit their idea** (in the mentioned **ppt. format at the end**) to confirm their seat in theHackathon. And then and only will they be eligible to attend the 2 day event.

- ✸ By participating in the **HackNITP vs.2.0** you agree to all terms and conditions of the contest and promise to abide by them. Any violation may lead to an immediate cancellation of candidature.

- ✸ The teams would only be allowed to submit their hack only once after the time finishes. Then no alterations would be entertained.

- ✸ The main rules of SIH2020 would also be applied during the main hack.

- ✸ All selection of participants and winners would be judged solemnly by the SPOC and other qualified judges. Not by any member of TCF.
